II. GENERATOR CERTIFICATION

I hereby declare, to the best of my knowledge, that the contents of this consignment are classified as non-hazardous waste in accordance with federal, state, and local government regulations. I fully understand that the Soils Regeneration Site (SRS) can only accept non-hazardous waste. In the event that the waste is found to be hazardous or differ from any of the Generator's representations, such waste will be considered non-conforming. Non-conforming waste shall be removed from the SRS, at the generator's expense, as soon as possible and not to exceed 10 days after notification by E.T. Technologies, Inc. It is understood that non-conforming wastes may involve greater quantities of material than originally shipped. I agree to pay the fees associated with the services provided by the SRS as well as any costs associated with non-conforming wastes. I further agree to complete the required chemical testing and waste profile information within 10 days of the date below. I understand that if these procedures are not complete within 10 days, the waste will be considered as non-conforming. Any non-conforming wastes remaining at the SRS after the 10 day period will be subject to a \$120.00 fee per day for each remaining load. I understand that all non-conforming waste shipments received at the SRS will be reported to the Salt Lake Valley Health Department.

****EACH SHIPMENT RECEIVED FOR EMERGENCY SERVICES IS SUBJECT TO A \$60.00/LOAD SURCHARGE IN ADDITION TO THE NORMAL PROCESSING FEE****
